

STATE OF HAWAII
 Department of Land and Natural Resources
 Engineering Division
**Geothermal Drilling and Well Modification
 Permit Application**

Instructions:

For assistance consult Chapter 13-183, Hawaii Administrative Rules (HAR) or call the Division at (808) 587-0230. For updates to this form, please visit our website at <http://dlnr.hawaii.gov/eng/>

(1) **Applicant Information:**

Name/Company: _____

Address: _____
Street City State Zip Code

Contact Person: _____

Contact Information: _____
Telephone Email

GRML / GEP: _____
 (GRML) Geothermal Resource Mining Lease / (GEP) Geothermal Exploration Permit

Land Owner: _____

Contact Information: _____
Telephone Email

(2) **Well Designation:**

Well designation: Exploratory Well Injection Well Production Well

Check box for action:

<input type="checkbox"/> New Well	<input type="checkbox"/> Maintenance	<input type="checkbox"/> Modify Use
<input type="checkbox"/> Other	<input type="checkbox"/> Modify Well	<input type="checkbox"/> Plug & Abandonment

Well Designation: _____

Description of work: _____

(3) **Well Location:**

(Attached) Please attach a plot plan showing the tax map key, site elevation, and well location reference to established property corners.

Location (GPS): _____

Land use classification: Urban Rural Agriculture Conservation

STATE OF HAWAII
 Department of Land and Natural Resources
 Engineering Division
**Geothermal Drilling and Well Modification
 Permit Application**

(4) **Purpose:**

- (Attached) Please attach a statement of the purpose and extent of the proposed work. Indicate estimate of the depths between which discovery, production, injection or plugging to be attempted.

(5) **Proposed Drilling and Casing Program:**

- (Attached) Please attach a description of the proposed drilling and casing program; and a plan or drawing showing the proposed work and vertical section of the well.

(6) **Bond Requirements:**

- (Attached) Please attach a statement agreeing to file a bond, meeting the requirements of Chapter 13-183-68, HAR within 10 calendar days after the notification of the application being approved. A bond must be issued before any work can commence.

Notes: Indemnity bond for no less than \$50,000 per well, or a blanket bond for \$250,000 for any number of wells. Bonds remain in effect for the life of the well.

(7) **Statement of Compliance:**

By signing this application you agree to perform the work and thereafter to operate and maintain the well in accordance with the rules established in Chapter 13-183, HAR, the State of Hawaii, as well as all Federal and County geothermal regulations.

Signed: _____ Date: _____

Name (print): _____ Company: _____

Submitting Process:

Permits under a Geothermal Exploration Plan (GEP) or Geothermal Resource Mining Lease (GRML) will be administratively processed by the Department of Land and Natural Resources. Once application is deemed complete; average processing time is within 60 days.

Please fill out the entire application and return with \$100 non-refundable application fee to: (payable to DLNR)
