

NEW FEMA Flood Maps Coming to Hawaii County

ATTENTION INSURANCE AGENTS & REALTORS:

New FEMA Flood Maps will become effective on September 29, 2017.
Hawaii County property owners may be faced with mandatory flood insurance requirements.

Ms. Edie Lohmann, FEMA Region IX's Flood Insurance Specialist and Hawaii County Floodplain Manager, Mr. Bryce Harada will present to you:

- Why the maps are changing
- What areas on the Big Island will be impacted & how
- What the changing flood risks mean to property owners & renters
- Who will be required to have flood insurance
- Flood insurance options for existing & future property owners
- Deadlines to maximize the best flood insurance options
