the Mililani High School Music Boosters*

Emergency Kit Essentials

- **Water** - One gallon per person per day for seven days for drinking and sanitation
- **Food** - Non-perishable food that does not require cooking. Popular local foods such as spam, corned beef, and Vienna sausages
- **Eating Utensils** - Plates, mess kits, forks, and chopsticks. Don't forget a non-electric can opener for canned foods
- **Radio** - Battery-powered or hand crank radio with NOAA Weather alert
- **Light** - Flashlight and/or a portable fluorescent light
- **Spare Batteries** - Check annually
- **First Aid** - Get a good kit and consider enrolling in a certified first aid course
- **Whistle** - Important for signaling for help. A whistle carries much farther than the human voice and uses less energy than yelling
- **Dust Mask** - Helps to filter contaminated air
- **Sanitation** - Moist towelettes, garbage bags, and plastic ties for personal sanitation
- **Tools** - Wrench or pliers to turn off utilities, duct tape
- **Maps** - Local area maps
